Letter No C 1411/35-36 dt 10.7.36 from the M.C in Mysore with reference to Govt. letter dated 22.5.1936 requests sanction to purchase a bi-lingual Typewriter for use in his office, the cost being met from the Source pointed out by him

The cost of the Typewriter is about Rs 400. It is proposed to meet this amount either from the Durbar Contt Fund proper from the closing balance of the Gen Durbar Fund at the option of Govt.

Financial Secretary may be consulted in the matter perhaps

By 14.7.36. The cost of the establishment of the Durbar Commissioner's office is being met from the Durbar Establishment Fund. As there is no surplus in that a deficit of Rs ... in the Durbar. It does not seem to be possible to meet the cost of the type-writer out of this fund. (Vide para 14 of the Administration Report of the Durbar Dept for the year 1934-35) It is therefore a question for consideration whether the cost of

the type-writer can be met from the Mugrai Establishment Fund. The Mugrai Comr. may however be requested to report what the closing balance of the Fund is with a view to verify whether the cost of the type-writer can be met from the Fund. In case omission is not possible it is a proper case for consideration whether the contribution payable by Govt. for the maintenance of the Mugrai Commissioner's office and other Mugrai establishment should not be increased as the object of Govt. is to meet the cost of all Mugrai offices out of the Mugrai Establishment Fund. (Vide the first sentence under the heading "Formation of the Mugrai Fund" on pages 282-83 of the manual).

U.O.No.126/R.II. dated 7th August 1936.

1 Returned with compliments.

2 The purchase of a typewriter is a charge incidental to the management of an office and as such the cost thereof is to be met from the grant under Contingencies of the office concerned.

3 The Muzrai Establishment fund formed by levy of a percentage contribution on the income of Major and Minor Muzrai Institutions is at present intended to meet all charges of Muzrai Establishment in District and Taluk offices, and in the Comptroller's office, and moiety of the cost of establishment of the office of the Muzrai Commissioner and also ~~T.A.~~ charges of the Establishment in the District and taluk offices. Vide G.O.No.4334-43/Muz.809-18-2 dated 17-9-1930 and G.O. No.2457-8/Muz.326-27-3 dated 25-6-1928 and G.O.No. 2143-4/Muz.287-27-2 dated 23-5-1928. No part of the contingent charges of any of the offices is at present debited to this fund.

4 The excess expenditure over the receipts under Muzrai Establishment Fund noticed in the administration report for 1934-35 is due to the fact that the expenditure included amounts drawn for investment in securities for the benefit of the fund. Normally, receipts are more than the expenditure. The cost of the typewriter may be charged to this fund under orders of Government.

NOTE—Contn Sheet

The General Muzrai fund is formed from the surplus of Muzrai institutions and the income therefore is to be used for the benefit of Muzrai institutions generally and also for other purposes not inconsistent with the objects of the original endowments. Consequently the cost of a typewriter does not appear to be a legitimate charge on this fund.

Comptroller.

KR)

As stated in the Comptroller's note supra — portion marked A — the cost of the typewriter is to be met from the contingent grant of the Muzrai Commissioner's office. The proposal to meet it either from the General Muzrai Fund or Muzrai Cess fund is not admissible.

If the proposal is to be sanctioned, the Muzrai Comm^r has to point out provision under 13 Muzrai."

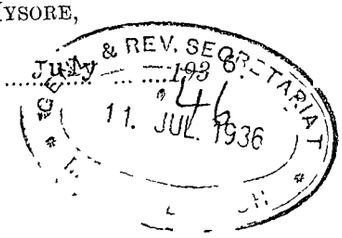
OFFICE OF THE MUZRAI COMMISSIONER
IN MYSORE,

Bangalore, 9th July 193 6.

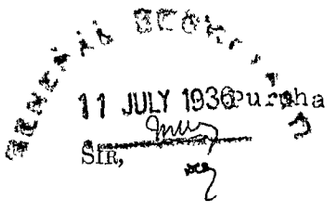


FROM

K. V. ANANTARAMAN, ESQ., B.A.,
Muzrai Commissioner in Mysore

To

M. Venkatesa Iyengar, Esq., B.A.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
General Department.



Sir,

Purchase of a brief size Type-writer for the Muzrai Commissioner's Office.

With reference to your letter No. 1604 dated 20th/22nd May 1936 re: the above, I have the honour to state that the purchase of a new machine is a real necessity for reasons already explained by me. The provision made under 13 Muzrai Institutions I superintendence in the current year's Budget does not admit of any re-appropriation as only a sum of Rs. 300/- for contingencies and Rs. 100/- for Travelling Allowance of the Establishment have been allowed. Besides, reappropriation under any other head in the Muzrai Budget is not possible as all the allotments represent fixed grants payable to institutions. I request therefore that sanction of Government to buy a standard brief size Type-Writer may kindly be granted, the cost being met from the Establishment Fund proper or the closing balance of the General Muzrai Fund at the option of Government, as it is now too late to provide for any allotment in the State Budget.

I have the honour to be,

Sir,

Your most obedient servant,

K. V. Anantaraman

Muzrai Commissioner.
